captures life in the rural toe river valley of north carolina during the 1920s and 1930s presenting a portrait of the colorful people and their traditions

from joss whedon the creator of buffy the vampire slayer and drew goddard writer of the monster movie phenomenon cloverfield comes the horror film to end all horror films the details of the plot are a closely guarded secret though joss himself has described it as a straight up balls out really terrifying horror movie adding it is not just a slasher in the woods it s a little more complicated than that all will be revealed in the official visual companion featuring in depth interviews the full screenplay by whedon and goddard stunning production art and hundreds of color photos

magnificently illustrated directory of all the world s civil airliners currently in service and under development special chapters examine the state of the art in aircraft technology flight decks cabins airframes and engines

the cabin in the woods 2012 directed by drew goddard and co authored by goddard and joss whedon of buffy fame was famously described by co author whedon as his loving hate letter to horror interviews with whedon reveal that his struggles with modern cinematic horror are not merely emotional but intensely philosophical this text reads cabin as a philosophical metatext that asks what horror offers audiences and why audiences accept like any good philosophy the film offers no answers but raises questions what choices are possible in a pre determined universe how do we the audience see the victims of violence and with what ethical

consequences and finally the most fraught question of all why do we keep looking
